Find a Profound Relationship with the Other Half of Your Soul

ST. PAUL, MINN — More than a soul mate, your twin flame is the only soul that has the same spiritual DNA as yours—the piece that is crucial to your soul's evolution. Leslie Sampson helps you to not only identify your twin flame, but also develop a loving partnership that is deeper than any other. While you can have many soul mates, only one soul can be your twin flame. This book walks you through the history of twin flames and the various methods for finding your divine partner, including numerology, astrology, divination, and akashic records. Through inspiring stories from her clients and personal life, Leslie shows you how to meet your twin flame and let your relationship thrive.
